Where the Hope of Jesus Is Alive

Rich's Review

*a note from
A pastor's heart
to the heart of
God's people*

Is it the weather or is it learned behavior from many years of going to school? Maybe it's just because we spend so many months hiding from the cold inside. It is definitely a summer thing. Plans for family reunions, vacations, amusement parks, picnics, or going to the beach. Chances are we started early dreaming about our summer activities. Memories will be made that we may well recall with family and friends for decades. It starts out with, "Hey remember that time we . . ." We might just use those warm thoughts for future cold winter nights.

Let me invite you to a growing experience this summer. An experience that may well be an investment paying dividends in your life and the lives of your loved ones. I'm calling it "One Sacred Summer: The Revelation of God." It is a journey seeking the Lord, reading His Word and praying for His will. You won't be taking this journey alone. Your church family will be embarking with you to find God's best for us all.

A guide is included in this newsletter. In addition, there will be information on our website, facebook and each week in worship. I hope your plans for fun this summer bring you many happy returns. I pray your participation in "One Sacred Summer" will transform your life and the lives of those you love.

I am blessed to be your pastor,
Rich

This 40-Day Bible Reading Plan is a part of the ESV Pew Bibles at PABC. It serves as a survey of the entire Bible. For those unfamiliar or renewing their Bible reading habit this guide will provide a big picture view of who this amazing God truly is.

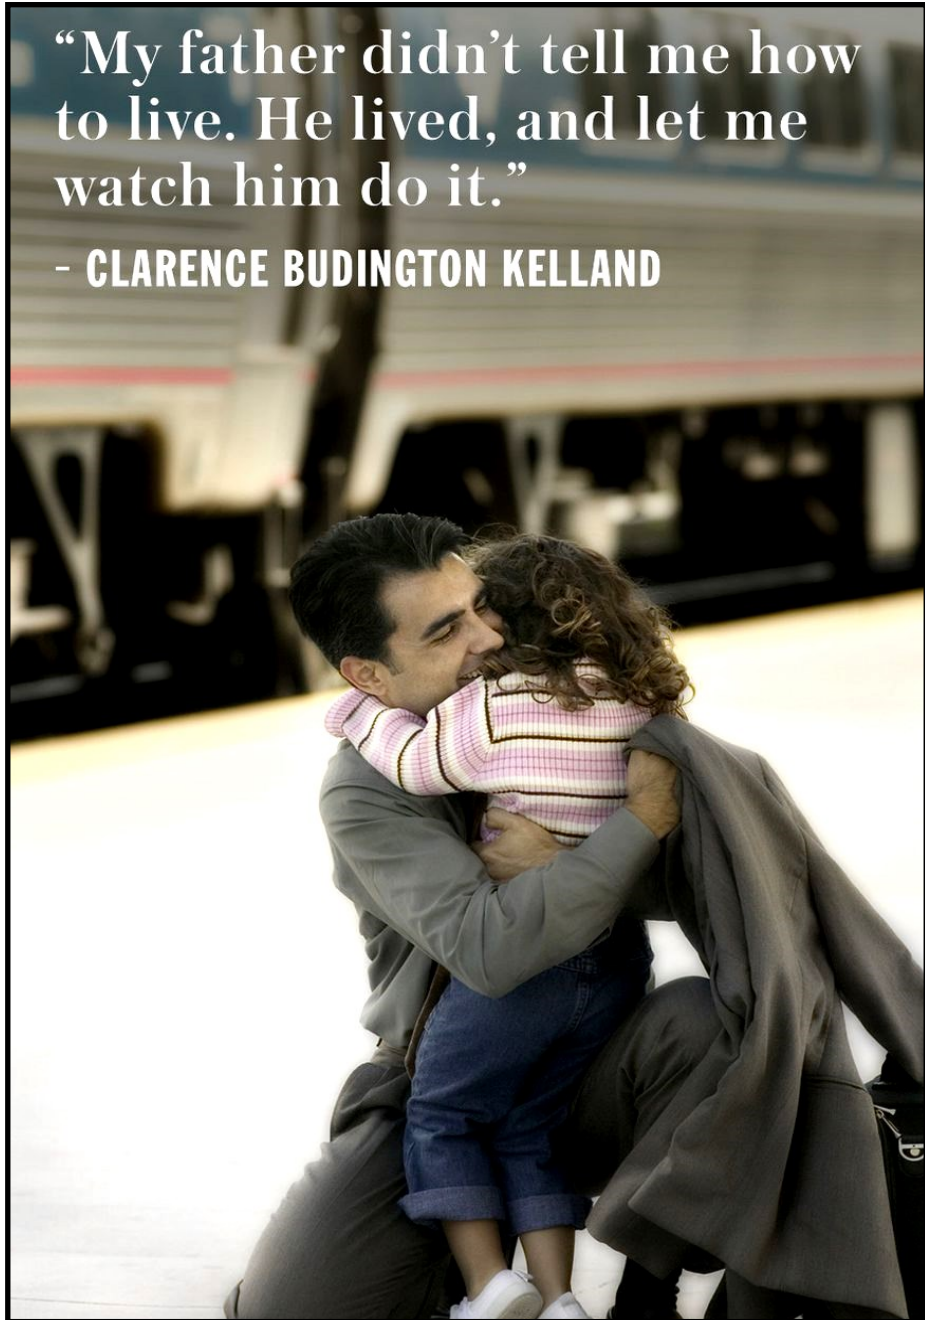

Each Sunday this summer the messages will focus on the identity, character and nature of God reflected in the reading for that week. As a congregation committed to Jesus Christ, we will be reading through the Bible together this summer.

Why not invite a friend to join you in reading and attending worship.

To all our dilemmas Ravi says, "I am convinced that Jesus Christ alone uniquely answers the deepest questions of our hearts and minds."
